CALGARY ROYALS PRESIDENT'S MESSAGE

On behalf of the Board of Directors of the Calgary Royals, I am pleased to welcome all hockey fans, families, friends, players, volunteers, scouts, coaches, trainers, officials, and sponsors to the six annual Western Canada U18AA Showdown.

What began as a vision to create a premier event showcasing the exceptional talent of Western Canada's U18AA hockey players has now become a much-anticipated tradition. Our goal was to provide a dedicated platform to raise awareness of these athletes, and we are proud to have succeeded in creating a key opportunity that was previously missing for many aspiring players. Thanks to the visibility gained through the Showdown, numerous past participants have moved on to Junior A and B teams, while others have earned spots on ACHA and NCAA college rosters.

We are excited to welcome teams from Manitoba, Saskatchewan, Alberta, and British Columbia this year, with 16 teams competing in what promises to be a thrilling weekend of hockey. In addition to the 34 high-energy games, the event will feature comprehensive social media coverage, a hospitality room for visiting junior coaches and scouts, and, live game streaming via HN Live for those who are unable to attend in person.

The future is bright for these players, and it is crucial they recognize the many pathways available to them in the hockey world. We are extremely grateful for the continued support we've received throughout the years, as this event has evolved from a simple idea to the full-scale, 16-team showcase you're about to enjoy.

Best of luck to all the participants, and thank you to everyone who has made this event possible.

We hope you enjoy the hockey!

Juanita Renwick
President, Calgary Royals Athletic Association

RULES AND REGULATIONS 2024

The 2024 Western Canada U18 AA Showdown Tournament is sanctioned by Hockey Calgary and will follow the playing rules as per Hockey Alberta and Hockey Canada guidelines. Teams must be registered and in good standing with Hockey Canada. Proof of registration must be available upon request. Participating teams must have permission from their respective branches to attend this tournament.

Hockey Alberta Suspension Guidelines will be utilized. Notice of all suspensions during the tournament will be forwarded (with a full report of the circumstances) to the player's regular league officials. The Tournament Discipline Committee may require players and team staff to appear at meetings into these matters. No player who is suspended in his regular league can play in the tournament until his suspension is considered complete and lifted by his regular league officials.

TOURNAMENT FORMAT: 16 teams, 2 pools, 4 game guarantee, 1 consolation final, 1 championship game (34 games in total)

POINT SYSTEM USED TO DETERMINE POSITION AFTER FIRST 3 GAMES (SEEDING ROUNDS):

- **5 points: Win by 2 or more goals**
- **4 points: Win by 1 goal**
- **3 points: Tie Game**
- **2 points: Loss by 1 goal**
- **1 point: Loss by 2 or more goals**

First 3 games are considered seeding round and will determine point placement in divisions for games to be played on Saturday November 23 and Sunday, November 24, 2024. The top teams in each division will play in semi final games (game 4 for all of these 4 teams) to determine which 2 teams will go on to play for the championship final and which 2 teams will play for 3rd place in the consolation final. Remaining teams will play a final 4th game against the corresponding seeded team in the other divisional pool (3rd vs 3rd, 4th vs 4th, 5th vs 5th, 6th vs 6th, 7th vs 7th, 8th vs 8th).

TIE BREAKING RULES FOR PLACEMENT REGARDING FOURTH GAME:

If two (2) teams are tied in points in their division after the seeding rounds:

- A - If the two teams have played head-to-head, the winner of the game between the two tied teams gains the highest position.
- B - If still tied after (A), or the teams have not played each other, the team with the most wins in the first 3 games gains the highest position.
- C - If the two (2) teams are still tied after A and B has been applied, the team with the best goal ratio gains the highest position. The goal ratio of a team is to be determined in the following manner:

RULES AND REGULATIONS 2024

Goals for minus goals against divided by goals for plus goals against. NOTE: All seeding round games are included.

Example: For = 10 goals, Against = 4 goals Formula: $(10 - 4) / (10 + 4) = 0.4286$

NOTE: The highest ratio gains the highest position.

- D - If the two (2) teams are still tied after A, B and C has been applied, the team with the least number of minutes in penalties in all 3 seeding round games gains the highest position.
- E - If the two (2) teams are still tied after A, B, C and D has been applied, and the teams have played each other in a head-to-head match, the team that scored the first goal in the game between the two (2) tied teams gains the highest position.
- F - If the two (2) teams are still tied after A, B, C, D and E does not apply, the team that scored earliest in their first seeding game played will gain the highest position.

If three (3) teams or more are tied after seeding round games:

The point record established in the games AMONG THE TIED TEAMS ONLY will be used as the first tie Break formula in deciding which team(s) will advance. If the teams are still tied:

- A - The team with the most wins would gain the highest position.
- B - If teams are still tied after A has been applied, then the team with the best goal ratio gains the highest position. The goal ratio of a team is to be determined in the following manner:

Goals for minus goals against divided by goals for plus goals against. NOTE: All seeding round games for each team are included.

Example: For = 10 goals, Against = 4 goals Formula: $(10 - 4) / (10 + 4) = 0.4286$

NOTE: The highest ratio gains the highest position.

- If all three percentages are different for the three (3) teams that are tied, then first (1st), second (2nd) and third (3rd) place is decided with the highest percentage gaining first (1st) place and the lowest percentage gaining third (3rd) place. The tie breaking procedure will not go back to two teams tied.
- C - If two teams or more are still tied after A and B has been applied, the team(s) to qualify would be the team(s) that received the least number of minutes in penalties throughout all 3 of their seeding round games.
- D - If three teams are still tied after A, B and C have been applied, the team that scored earliest in their first seeding game will gain the highest position.

RULES AND REGULATIONS 2024

Note: In the event that 3 or more teams are tied after the determination of the top 4 teams refer to the section on tie breaking for 3 or more teams listed in the Tie Breaking Rules for seeding round games.

OVERTIME RULES FOR SEMI FINAL, CONSOLATION AND CHAMPIONSHIP GAMES
